

## Softball 2019

Softball usually starts at the beginning of May and finishes at the end of June. Both boys and girls can start playing at the age of 3. At or before the age of 9, boys move over to hardball and girls stay with softball.

If you have any questions about Softball, please contact {insert the name of your club's softball convenor}.

### **Equipment**

Every player requires a softball glove, a batting helmet with a cage and a pair of running shoes. U10 players and all pitchers are required to wear a fielding mask. Masks are available for purchase from NESAs for \$45.00. Please contact Lloyd Norman for details. Optional equipment includes a softball bat, batting gloves and cleats. Jerseys will be provided.

### **Softball Clinics**

If you or your children love softball and miss it during the winter or if your son or daughter have never played before, the North East Softball Association is offering a variety of inexpensive skill camps. Please visit their web site at [www.northeastsoftball.ca](http://www.northeastsoftball.ca) for more information.

### **Coaching**

Interested in Coaching? Softball Manitoba offers coaching clinic's in April and May. Check their website at [www.softball.mb.ca](http://www.softball.mb.ca) for more information.

### **Umpires**

Umpires are needed. Please go to the North East Softball Web page for more information.
