

BIRTHYEARS (2014, 2015, 2016)

Player Requests Policy:

Player requests will only be considered in the following priority:

1. Parents that are volunteering as a coach in the soccer program
2. Both players must request each other on the registration (one friend only)
3. Friend/Player requests will only be considered for same birth year participants. We will not consider requests that are made for more than 1 birth year apart

*coaches requests are not permitted

Trying to coordinate the many player requests we receive each year, has made it difficult and time consuming to prepare the team rosters. We are also always short coaches due to our large soccer program. We hope you will consider coaching in order to help the program run smoothly.

Long Term Player Development Stage ONE First Kicks

At this stage, players should participate in simulating practices and games that develop basic technical skills in a FUN atmosphere. The emphasis should be movement exercises and games that promote a feel for the ball while teaching basic principles of play in a fun but structured setting. Informal games can be set up at the end of the practices or as part of a jamboree mixing exercising and games. NO Goalkeeping at this age. ALL players should learn the basic techniques of ball handling at different heights (not high balls) and throwing with one and two hands on the ground and in the air. Footwork is introduced including side-skip to get in line with the ball. Introduce division from a kneeling position.

Equipment Required by player: Shin guards and running shoes
Jerseys will be provided by Gateway (Tim Horton's sponsored).
